Introduction to The Gables Holiday Apartments

What we do

Our ambition is to provide a good standard of accommodation in a brilliant location at a reasonable price. Having arrived and parked your car on site you are 100m walk from The Marine Parade and the town which has everything you may require including two supermarkets which are open early until late

Accommodation standard

The accommodation is inspected yearly and is rated three star. This is not the same as a three star hotel but is a good standard for a holiday home providing everything you require. We include bedding so there is no need to bring your own. We reinvest yearly to improve what we offer while maintaining our reasonable prices

About us

My parents have been running the Gables since 1997. Due to the sudden passing of my father; my husband and I have decided to take over the family business. We moved to Lyme Regis permanently in 2011 having previously lived and worked in Berkshire. With our daughter at such a fantastic age to relocate we thought it a perfect time to move to a place we have grown to love over the last 14 years.

The Gables, an established and successful self-catering business provided us with a project and occupation. The location and facilities offered everything a family or group require for a seaside holiday

Description

The apartments are in three interconnected two storey buildings in the old town. Because we are in the town the ground floor accommodation has little outlook but those on the first floor have glimpses of the sea and old town. The car park is at the rear.

Revised September 2011
